This semantic search box will allow user to search any of the available information.

BROWSE BY RESEARCH AREA

Selecting research area from dropdown list will show the faculty list who are working on that area.

The screenshot displays the 'Faculty Information System' web application. The browser address bar shows 'http://www.mist.ac.bd/fis/FbD.htm'. The page title is 'Title'. The main header includes a 'LOGO' button, the title 'Faculty Information System', and a 'Faculty Login' button. A sidebar on the left contains a 'FACULTY INFORMATION' section with a 'Research Area' dropdown menu. The dropdown is currently set to 'Medical Image Processing'. The main content area is titled 'Medical Image Processing' and displays a grid of faculty profiles. Each profile includes a name, title, major, office, and mobile number, along with icons for email and home. The profiles shown are Dr. CGB, Col THS, Dr. RGB, and Md. ATM. At the bottom, there are navigation links for 'Family Sites' including MIST, MCAM, XYZ, and XYZ, and a pagination bar with numbers 1 through 5, 'next >', and 'last »'.
